

**NORPINE Trail Association**  
**www.norpinetrails.org**  
**Nordic Center Ski Trail Report**  
**12/30/2011**

Latest Weather and Snow: 4-6 inches, cloudy      Temperature: 28F.  
Snow YTD: Depending on location from 1 inches to 10 inches. Base Depth: 1-5 in

Grooming Reports:

Cascade/Deeryard Lake—Packed with roller and tracked with old Tidd Tech  
Trails Open: Main Pioneer and Main Deeryard Loop  
Date Groomed: 12/27/11  
Groomed km: 18 km—1 Track Classic  
Base: 1-5 Inches  
New Snow: 2-6 Inches last night  
Groomers Comments: 20km are open. Skiing is good on Pioneer loop, better on the Deeryard Loop. Expect some spots of nearly bare ground especially near the Lake. May need to walk about 1-2 blocks before skiing but many skiers are starting right from the trail head. Trails are VERY busy.

Hall Massie/North Shore Trail Connectors to Lutsen and Cascade  
Trails Open: Hall/Massie Loops, Cascade to Hall and Massie Trail to Lutsen NOT open due to lack of snow.  
Date Groomed:  
Groomed km: 18km  
Base: 1-3 inches  
New Snow: 1-4 inches  
Groomers Comments: We set a single track on the entire loop as well as the connector from Cascade. Expect rock skiing condition. Look for updates on norpinetrails.org
